Skills Summary

Languages

Education

Bachelor Informatica, Rotterdam University of Applied Sciences,
Rotterdam

SEP 2024 – JUL 2028

Highschool Diploma HAVO TTO, Mencia de Mendoza Lyceum, Breda

SEP 2018 – JUN 2024

Work Experience / Projects

Working Student – Data Migration and Cleaning, IQIP, Sliedrecht

OCT 2025 – FEB 2026

- Supported migration to Infor from a legacy ERP by **mapping data**, running **exports/imports**, performing **cleansing**, and **validating** loads with documented fixes.
- Developed role-based **dashboards** in Infor Workspaces to personalize views.

Office Planner Web Application

SEP 2025 – JAN 2026

- Developed an Office Planner web application with a **C#/.NET** backend and **React + TypeScript (Node.js)** frontend, designing **RESTful APIs** and a responsive UI.
- Implemented **CI/CD** pipelines, improving release reliability and delivery speed.

Parking Application

SEP 2025 – JAN 2026

- Developed the backend for a parking application in **C#/.NET**, using **RESTful APIs**, containerizing services with **Docker**, and setting up **CI/CD**.
- Applied **Scrum methodology**: refined backlog, user stories with acceptance criteria, planned and reviewed sprints, and delivered shippable increments.

Cinema Reservation System

FEB 2025 – JUN 2025

- Developed a **C#** application using a three-layer architecture, with a **PostgreSQL** database and **RESTful API** integration.
- Applied **Scrum methodology** and ensured stability through continuous testing
- Final project grade – 9.3

Portfolio Website

AUG 2025 – SEP 2025

- Built a personal [portfolio website](#) using **HTML**, **CSS** and **JavaScript**.
- Implemented responsive layout with **Flexbox**, **CSS Grid** and **media queries** for performance and compatibility across modern browsers.

Certificates

Complete Full Stack Developer Web Development Course (Udemy)

PRESENT

- Learning full-stack development with **HTML**, **CSS**, **JavaScript**, **Node.js**, and **PostgreSQL**. Gaining experience in **API design**, responsive UI, and database integration.

IB Diploma – English B (Higher level)

JUL 2024

- Advanced proficiency in English through the International Baccalaureate Diploma Programme.
